TARGET MARKET DETERMINATION (TMD)

THIRD PARTY MOTOR INSURANCE

TARGET MARKET DETERMINATION (TMD)

Product Disclosure Statement (PDS):	Shannons Motor Insurance Product Disclosure Statement – PDS prepared 3 December 2020
Product:	Third Party Motor Insurance
Publication Date:	25/08/2021
Issuer:	AAI Limited ABN 48 005 297 807 (AAI)
AFSL number:	230859

Shannons Pty Limited ABN 91 099 692 636 (Shannons), authorised representative number 239594, act as an authorised representative of AAI.

1. What is a Target Market Determination?

A Target Market Determination (TMD) is a determination that AAI has made to:

- describe the class of Customers this product has been designed for;
- specify product distribution conditions;
- specify TMD review periods and triggers; and
- set out reporting requirements.

This TMD assists Shannons staff, our Distributors and Customers in understanding the target market for this product.

In this TMD, distribution includes the following conduct in relation to retail Customers:

- dealing in the product (e.g. issuing or arranging for the product to be issued to a Customer);
- giving a PDS or other regulated disclosure document; and
- providing financial product advice in relation to the product.

2. What product does this TMD apply to?

This TMD applies to Third party legal liability cover offered in Shannons Motor Insurance Product Disclosure Statement (PDS) and any Supplementary Product Disclosure Statement (SPDS) we may issue.

3. What are the key attributes of this product?

Summary of Key Product Attributes

This product provides:

- cover for legal liability to pay compensation for death or bodily injury to other people or loss or damage to someone else's property arising from the use of the Customer's vehicle.

For full details of the cover available in this product, including the conditions and exclusions that apply, Shannons staff, our Distributors and Customers should read the PDS which can be found at www.shannons.com.au.

The PDS also offers Comprehensive cover as a separate level of cover.

To understand whether a Customer might be considered within the target market for that product offered in the PDS, a separate TMD is available. That TMD can be found at www.shannons.com.au.

4. What is the target market for this product?

This product is designed to be consistent with the likely objectives, financial situation and needs of Customers who:

Eligibility

- qualify as genuine motoring enthusiasts based on the Shannons Customer Selection Model which asks tailored questions around the Customer, their vehicle and their relationships with their vehicle;
- own imported, modified, classic, veteran, vintage or contemporary vehicles and must be either a motor vehicle (which includes a car, truck or tractor) or motorcycle;
- use the motor vehicle (which includes a car, truck or tractor) for one or more of the following uses:
 - Private: if used for private purposes including commuting to and from a place of work but does not include ridesharing or other car sharing schemes;
 - Business: if the vehicle:
 - is or should be registered for business use; or
 - is used for income earning purposes but does not include ridesharing;
 - Wedding Hire Use: if the vehicle is used for private use and the limited business use of carrying passengers for hire or reward in connection with weddings or school formals. It is unacceptable if the vehicle is used by a commercial wedding hire operator or for general event hire;
- use the motorcycle in a way acceptable to us; and
- have a vehicle that meets our underwriting criteria including:
 - is located within an acceptable postcode area;
 - matches our vehicle acceptability criteria; and
 - meets our acceptable physical condition criteria.
- require and seek legal liability cover for death or bodily injury to other people, or loss or damage to someone else's property arising from the use of the Customer's vehicle.

Customer objectives, financial situation and needs

This product is likely to be consistent with the objectives, financial situation and needs of the Customers in the target market because:

- the product provides cover for the types of loss or damage that Customers in the target market are seeking to insure against; and
- the target market for the product covers those Customers who are eligible to receive cover.

5. When will we review this TMD?

We will complete a review of this TMD for this product by no later than the following periods:

- a. First review period:
2 years after the original date of the TMD.
- b. Ongoing review periods:
At least every 2 years following the first review period.

6. Other circumstances which will trigger a TMD review

The Review Triggers for this product are:

- if one or more terms of the product are altered and we consider that this alteration reasonably suggests that this TMD is no longer appropriate;
- an event or circumstance occurs that materially changes a factor taken into account when making the TMD that would suggest to us that the TMD is no longer appropriate, such as a change in underwriting requirements;
- the discovery of a material defect in the PDS which reasonably suggests that the TMD is no longer appropriate;
- if feedback, such as significant or systemic complaints or claims issues, is received from a Distributor or Customers who purchased the product, and we consider that this reasonably suggests to us the TMD is no longer appropriate;
- if feedback, regulatory orders or directions received from a regulator, the Code Governance Committee (CGC) or Australian Financial Complaints Authority (AFCA) suggest this TMD is no longer appropriate;
- if a change in law, regulation, or regulatory guidance that materially affects the product design or distribution of the product (or class of products that includes this product) where we consider that this reasonably suggests that this TMD is no longer appropriate;
- where significant dealings outside the TMD occurs, and we consider that this reasonably suggests that this TMD is no longer appropriate;
- if a remediation event relating to this product occurs where we consider this would reasonably suggest that:
 - this product is unsuitable for a particular cohort of Customers; and
 - the TMD may no longer be appropriate.
- if we consider that the claims data for the product reasonably suggests that this TMD is no longer appropriate.

7. What distribution conditions apply to this product?

The following conditions apply to this product:

- those Distributors who distribute the product are required to be authorised by us to distribute this product and those arrangements must not be cancelled or suspended;
- this product must only be distributed in accordance with this TMD;
- distribution of this product must comply with all of our underwriting criteria;
- distribution of this product must be conducted through our contact centres and in-store sales pursuant to specific channel distribution requirements;
- this product cannot be distributed where this TMD is not up to date and no new TMD has been published; and
- the TMD must be current and not subject to any ASIC action that might suggest that the TMD is no longer appropriate.

These distribution conditions make it likely Customers who are issued the product are in the target market because they are supported by reasonably appropriate platform controls, training and scripting designed to ensure that the product is distributed to persons within the target market.

8. When do Third Party Distributors who distribute our products need to report complaints about this product to us?*

Third Party Distributors who distribute our products need to provide us information on complaints made about this product on a Quarterly basis (**Complaints Reporting Period**).

Third Party Distributors who distribute our products are required to provide to us this complaints information within 10 business days of the end of the Complaints Reporting Period.

All complaints lodged with us are handled in accordance with Suncorp's Group Complaint Management Standard.

*This section 8 only applies to products distributed by Third Party Distributors

9. Information to assess TMDs and reporting periods
